

# nut+grat

Collection

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | [info@nutundgrat.ch](mailto:info@nutundgrat.ch), [www.nutundgrat.ch](http://www.nutundgrat.ch)

## diedro table

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

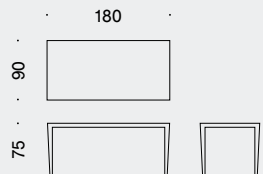

In terms of design, the **diedro** table displays a refreshing mix of planar and facing surfaces. Its concise and sleek look is reminiscent of a cut diamond. Two elegant veneer inlays of valais walnut cover the table.

**Material:** MDF | valais walnut veneer

**Surface:** oiled and waxed

**Design:** Marilena Cadau

**Construction:** nut+grat, 2006

## fulvo table

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

The **fulvo** table's tapered legs are fixed to the edge of the table by the mitre joints. The table top appears to be light and as though it is floating thanks to its narrow edges and the clear gap between the top and the base frame. The **fulvo** range also includes a matching chair.

**Wood type:** solid wood | indigenous hardwood

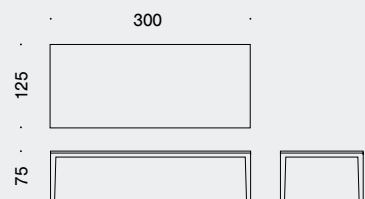

**Surface:** oiled and waxed

**Design and construction:** nut+grat, 2000

**Image:** made from cherry tree, W 170 | L 85 | H 75 cm

### Max. dimensions

## linea table

**nut+grat** | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | [info@nutundgrat.ch](mailto:info@nutundgrat.ch), [www.nutundgrat.ch](http://www.nutundgrat.ch)

The most remarkable features on the table in the **linea** range are the smooth mitre joints between the table top and the legs. There is an obvious difference in the material thicknesses of the different sections, giving the **linea** table a delicate and interesting radiance. As in the **fulvo** range, the joins can be seen from both sides of each leg. Customers may commission a variation of this which shows the mitre joint on one side only. The **linea** range also has a matching chair available.

**Wood type:** solid wood | indigenous hardwood

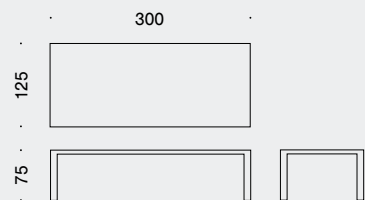

**Surface:** oiled and waxed

**Design and construction:** nut+grat, 2001

**Image:** made from cherry tree,, W 200 | L 95 | H 75 cm

## nodo table

**nut+grat** | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | [info@nutundgrat.ch](mailto:info@nutundgrat.ch), [www.nutundgrat.ch](http://www.nutundgrat.ch)

The **nodo** table is minimalist in style. Its sleek and simple design – consisting of a table top and four legs – is striking. **nodo**'s most remarkable features are its mortise and tenon joints which create a distinctive design element. This unique solid wood processing translates a traditional craft into modern furniture design. Also available in the **nodo** range are a table, chair, coffee table and bed.

**Wood type:** solid wood | indigenous hardwood

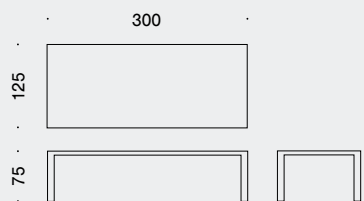

**Surface:** oiled and waxed

**Design and construction:** nut+grat, 1996

**Image:** made from walnut, W 180 | L 90 | H 75 cm

Max. dimensions

## **mantide** table

**nut+grat** | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | [info@nutundgrat.ch](mailto:info@nutundgrat.ch), [www.nutundgrat.ch](http://www.nutundgrat.ch)

The **mantide** table is made exclusively from solid wood. The three-dimensional, milled-to-size table legs and table edge of the base frame are fixed using traditional mortise and tenon joints, giving the piece a distinctive and sleek look. The table top has chamfered edges around its entire circumference. The interplay between the substructure and the table top provides **mantide** with delicate and clean lines.

**Wood type:** solid wood | indigenous hardwood

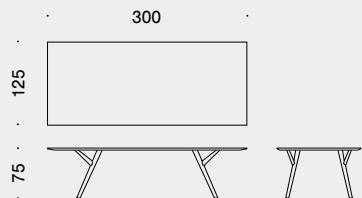

**Surface:** oiled and waxed or matt finish

**Design and construction:** nut+grat, 2003

**Image:** made from cherry wood, oiled and waxed,  
W 205 | L 95 | H 75 cm

## padrone armchair + padrino stool

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

The **padrone** armchair instills a serene atmosphere in any private room or public space. Elegantly rolling wooden armrests carry the luxurious upholstery. The versatile **padrino** stool complements the **padrone** armchair either as a seat or upturned as a side table.

**padrone** and **padrino** are available in any combination of different Indigenous woods and eight different fabrics. Fully bespoke orders are welcome.

**Wood type:** solid wood | indigenous hardwood

**Dimensions: padrone:** W 68 | D 80 | H 85 | SH 40 cm

**padrino:** W 52 | D 46 | H 46 cm

**Surface:** oiled and waxed

**Design and construction:** nut+grat, 2010

**Image:** made from walnut

## nodo chair

**nut+grat** | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | [info@nutundgrat.ch](mailto:info@nutundgrat.ch), [www.nutundgrat.ch](http://www.nutundgrat.ch)

As with the table, coffee table and bed, the **nodo** chair is made using the mortise and tenon joints typical of this range. The through mortise and tenon joints between the backrest and the seat are visible from the rear.

**Wood type:** solid wood | indigenous hardwood

**Surface:** matt finish or oiled and waxed

**Design and construction:** nut+grat, 1998

**Image:** made from walnut, oiled and waxed

## fulvo chair

**nut+grat** | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | [info@nutundgrat.ch](mailto:info@nutundgrat.ch), [www.nutundgrat.ch](http://www.nutundgrat.ch)

The **fulvo** chair complements the **fulvo** table in its design features. The tapered chair legs are joined to the chair frame by mitre joints. Thanks to the high-quality workmanship involved in the production of the chair – which is available in a selection of woods – and its distinctive design, the **fulvo** is a harmonious complement to this furniture range.

**Wood type:** solid wood | indigenous hardwood

**Surface:** matt finish or oiled and waxed

**Design and construction:** nut+grat, 2005

**Image:** made from oak, matt finish

## linea chair

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

This chair is available as part of the **linea** range which works well, in terms of design, with the **linea** table, though it is somewhat more modest in style. The mitre joints between the seat and the chair legs can be tapered even more, on request, to further emphasise the table's distinctive style. The backrest has been ergonomically designed and also adopts the minimalist theme of the **linea** range thanks to its clean lines.

**Wood type:** indigenous hardwood

**Surface:** matt finish or oiled and waxed

**Design and construction:** nut+grat, 2001

**Image:** made from oak, matt finish

## dantone bench

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

The simple design elements of the mortise and tenon joints are representative of the **dantone** range, which also comprises a bench and a bed. Thanks to the minimalist style of the seat and sides, the **dantone** bench is the perfect complement to the tables found in the **nodo**, **fulvo** and **linea** ranges. It can be made in the wood to match the corresponding table. The **dantone** bench is a valuable addition to the seating collection of **nut+grat**. It can be made with a solid wood backrest on request.

**Wood type:** solid wood | indigenous hardwood

**Surface:** semi-matt finish or oiled and waxed

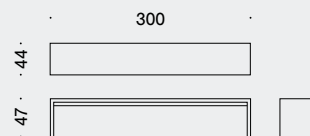

**Design and construction:** nut+grat, 2000

**Image:** made from beech unsteamed, oiled and waxed

W 140 | D 44 | SH 47 cm (incl. backrest H 91 cm); detail in oak

## valletto coffee table

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

The **valletto** coffee table is produced with the traditional method of turnery. It is graceful and light and flexible to move and use. It is available in various indigenous woods.

**Wood type:** solid wood | indigenous hardwood

**Dimensions:** W 36 | D 43 | H 90 | TH 60 cm

**Surface:** oiled and waxed

**Design and construction:** nut+grat, 2010

**Image:** made from walnut and oak

## **bolum** coffee table

**nut+grat** | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | [info@nutundgrat.ch](mailto:info@nutundgrat.ch), [www.nutundgrat.ch](http://www.nutundgrat.ch)

The **bolum** coffee table is the complement to the **alum** range in terms of design as it offers the same design solutions. It provides convenient storage space for a variety of different items. The veneer is shaped and at the same time joined to the base board in a special, technical production process.

**Material:** MDF | choice of veneers available

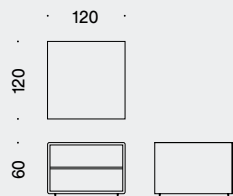

**Surface:** oiled and waxed

**Design and construction:** nut+grat, in collaboration with Daniel Abgottspon, 2006

**Image:** made from walnut, W 46 | L 46 | H 38 cm

### Max. dimensions

## onda coffee table

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

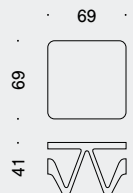

The strong contours of the **onda** coffee table flow into a dynamic shape thus enabling a dematerialisation of the edges into a stable construction with the shape of sine curves. The surface is made of veneers that are arranged in a cross-joint way.

**Material:** MDF black | wood veneer

**Surface:** oiled and waxed

**Design and construction:** nut+grat, 2007

**Image:** made from walnut

## **nodo** coffee table

**nut+grat** | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | [info@nutundgrat.ch](mailto:info@nutundgrat.ch), [www.nutundgrat.ch](http://www.nutundgrat.ch)

The **nodo** coffee table is manufactured using the same production methods as the **nodo** table. Based on the modified dimensions of the coffee table, the proportions and material thicknesses are adapted to create the ideal shape. The **nodo** range includes a table, chair, coffee table and bed.

**Wood type:** solid wood | indigenous hardwood

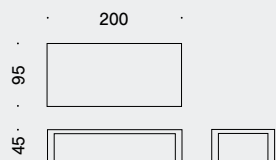

**Surface:** oiled and waxed

**Design and construction:** nut+grat, 2000

**Image:** made from walnut, W 90 | L 45 | H 30 cm

Max. dimensions

## alum coffee table

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

The elegant exterior of the **alum** coffee table is made using an internally-developed unique production process. The radiuses of the external contours of the coffee table measure 20 mm, the inner surfaces are fixed to the mitre joint and are therefore square-cut. The lightweight appearance of the coffee table is facilitated by four small stainless steel feet. A sideboard has also been produced using this technique.

**Material:** 16 mm aluminium composite board with MDF core imbued with black

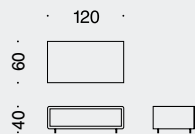

**Surface:** anodised and semi-matt finish

**Design and construction:** nut+grat, 2004

**Image:** W 55 | L 40 | H 40 cm

### Max. dimensions

## aluna coffee table

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

The **aluna** coffee table is made from a 10 mm aluminium composite board, which is distinctive thanks to its light weight. The basic shape of the furniture has been machined from a board and then chamfered and fixed in a technical process. The high-quality workmanship has given rise to the concise edges and shapes, providing the coffee table with its own individual character.

**Material:** 10 mm aluminium composite board with MDF core imbued with black

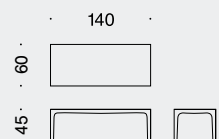

**Surface:** anodised and semi-matt finish

**Design and construction:** nut+grat, 2002

**Image:** W 75 | L 40 | H 40 cm

### Max. dimensions

## duna sideboard

**nut+grat** | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | [info@nutundgrat.ch](mailto:info@nutundgrat.ch), [www.nutundgrat.ch](http://www.nutundgrat.ch)

The **duna** sideboard gains his individual character through the soft design style and the distinctive veneer inlays. The top is made of anodized aluminium with a print of a harmonic interpretation of wave patterns that change depending on the exposure to light. The metal fittings specially developed by **nut+grat** are a technical simplification of the pullout-system as well as a graphical interplay.

**Wood type:** local solid wood | veneers

**Surface:** oiled and waxed

**Design and construction:** nut+grat, Marilena Cadau (top), 2007

**Image:** made from plum wood

## foglie sideboard

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

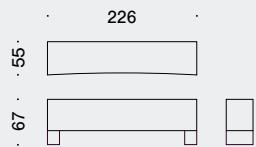

The **foglie** sideboard is expressive, simple and clean lined. The delicate slants layered horizontally serve as handles for the drawers. **foglie** is laminated and finished with mortise and tenon joints. The sideboard is available as a free-standing unit or built in to your specifications. The interior space can be individually arranged, with selectable heights for the drawers.

**Wood type:** solid wood | indigenous hardwood

**Surface:** oiled and waxed

**Design and construction:** nut+grat, 2008

**Image:** made from walnut

## alum sideboard

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

The **alum** sideboard is manufactured using the same production process as the **alum** coffee table. The radiuses of the exterior contours of the sideboard measure 25 mm. The main body of the sideboard is divided into three equal-width compartments which are available with pull-out drawers. These provide convenient storage space for a variety of different items. The clean lines of the **alum** sideboard can be optionally enhanced by means of a prominent grip or a simple wave-like, recessed grip on the front of the drawers.

**Material:** 19 mm aluminium composite board with MDF core imbued with black

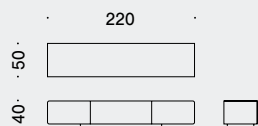

**Surface:** anodised and semi-matt finish

**Design and construction:** nut+grat, 2004

**Image:** W 208 | D 45 | H 31 cm

### Max. dimensions

## aluna sideboard

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

The **aluna** sideboard is striking with its intermittent open and closed sections. The bases are fixed alternately with L-shaped and flat sides. The sides are available optionally in three different heights, allowing books and interior accessories of different sizes to be conveniently stored. A special bookend ensures that books sit securely on the shelves. Chrome steel feet define the distance of the **aluna** sideboard from the floor and support this lightweight piece of furniture. The furniture range is complemented by the **aluna** coffee table.

**Material:** 19 mm aluminium composite board with MDF core imbued with black

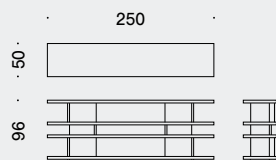

**Surface:** anodised and semi-matt finish

**Design and construction:** nut+grat, 2004

**Image:** W 226 | D 35 | H 96 cm

Max. dimensions

## fiocco sideboard

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

The **fiocco** sideboard is made from 5 cm thick, veneered MDF boards. The seemingly simple design of the mitre joints and the clear cubic style give the furniture its special character. **fiocco** is supplied with either a stand or castors.

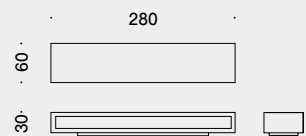

**Material:** MDF | choice of veneers available

**Surface:** polished to a high-gloss finish, oiled and waxed

**Design and construction:** nut+grat, 2002

**Image:** made from zebrano wood, polished to a high-gloss finish,  
W 140 | D 40 | H 30 cm

Max. dimensions

## mezzaluna shelf

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

**mezzaluna** is striking thanks to its excellent and secure connectors. The bases of the shelves are beaded on two rounded sides and twisted with wedges, providing the shelves with maximum stability without the need for screws or diagonal bracing. The minimalist style and the use of aluminium composite material lend a demure feel to the shelves. The glossy elegance of **mezzaluna** is enhanced by light reflecting off the surfaces.

**Material:** 19 mm aluminium composite board with MDF core imbued with black

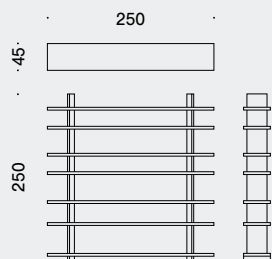

**Surface:** anodised and semi-matt finish

**Design and construction:** nut+grat, in collaboration with Daniel Abgottspon, 2005

**Image:** W 226 | D 35 | H 205 cm

### Max. dimensions

## plio bed

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

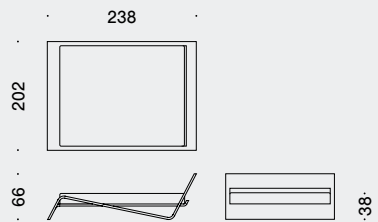

The **plio** bed was developed from a freehand sketch. This sketch was converted directly into a design model. The style of the **plio** bed reflects the lightness of the model. A choice of veneers enhances the emotional feel of the **plio** bed, which has been brought about by its practical design practicality.

**Material:** MDF | choice of veneers available

**Surface:** matt finish

**Design and construction:** nut+grat, 2006

**Image:** made from cherry tree

## nodo bed

**nut+grat** | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

The **nodo** range – comprising of the **nodo** table, chair and coffee table – is completed with the nodo bed. What is impressive about the furniture are its sleek and clean lines. Typical of the design and function are the distinctive mortise and tenon joints used in the manufacture. The classic solid wood working used in this range combines traditional craft with modern furniture design.

**Wood type:** solid wood | indigenous hardwood

**Surface:** matt finish

**Design and construction:** nut+grat, 2006

**Image:** made from pear wood

## dantone bed

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

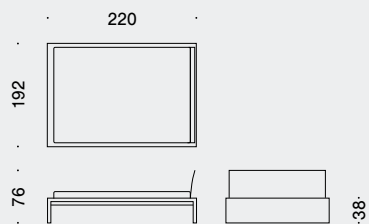

The minimalist style of the **dantone** range with its distinctive design features of mortise and tenon joints has also been used in the production of the **dantone** bed. The bed is a perfect companion for the **dantone** bench. The **dantone** range is made from solid wood as standard.

**Wood type:** solid wood | indigenous hardwood

**Surface:** matt finish

**Design and construction:** nut+grat, 2006

**Image:** made from walnut

## dodo bed

**nut+grat** | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | [info@nutundgrat.ch](mailto:info@nutundgrat.ch), [www.nutundgrat.ch](http://www.nutundgrat.ch)

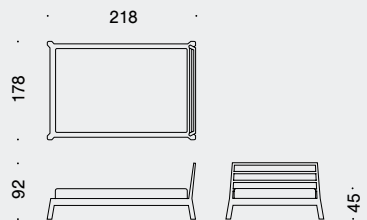

The minimal bed frame and the distinctive cut of the feet make the **dodo** bed appear as though it is floating. Typical characteristics of the **dodo** bed include the unique headboard which consists of four batons.

**Wood type:** solid wood | indigenous hardwood

**Surface:** matt finish

**Design and construction:** nut+grat, 2006

**Image:** made from walnut

## mille feuilles sideboard

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

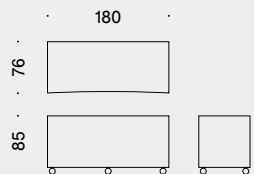

The minimal design of the **mille feuilles** sideboard is reminiscent of leaves layered on top of each other. The structure conceals the joints of the 16 drawers, giving the piece an objet d'art look. It can be used as a stand-alone piece in a variety of different surroundings. **mille feuilles** is laminated and is finished with mortise and tenon joints. Six high-quality castors emphasise the sideboard's motility.

**Wood type:** solid wood | walnut, cherry wood, pear wood

**Surface:** oiled and waxed

**Design and construction:** nut+grat, 1998

**Image:** made from walnut

## mille pieds sideboard

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

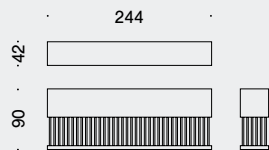

**mille pieds** is intended as a media storage cabinet. A separate stainless steel track system has been developed for the 14 CD drawers, which are fully extendable. The **mille pieds** compartments are designed to also store DVDs, LPs and even magazines. The «thousand» rods between the base board and the main body provide this stand-alone piece with an exciting interplay between heavy and light.

**Wood type:** solid wood | walnut, cherry wood, pear wood

**Surface:** oiled and waxed

**Design and construction:** nut+grat, 2002

**Image:** made from walnut

## rendez-vous mirror

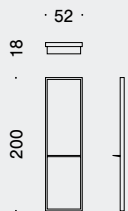

**nut+grat** | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | [info@nutundgrat.ch](mailto:info@nutundgrat.ch), [www.nutundgrat.ch](http://www.nutundgrat.ch)

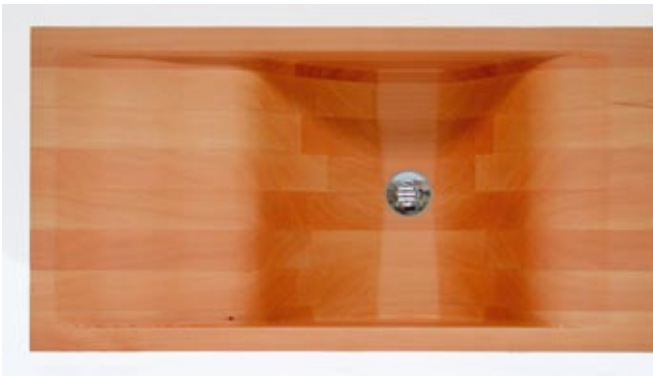

The full length mirror **rendez-vous** is divided by a narrow board, which, when leaning against the wall, offers a horizontal shelf.

**Wood type:** solid walnut

**Surface:** oiled and waxed

**Design and construction:** nut+grat, 2007

## lavabeau wash basin

**nut+grat** | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | [info@nutundgrat.ch](mailto:info@nutundgrat.ch), [www.nutundgrat.ch](http://www.nutundgrat.ch)

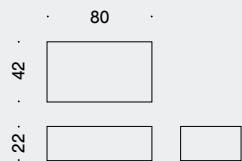

The **lavabeau** wash basin has been designed with a cubic basic shape in mind. The basin has been crafted in a wave-like design from laminated solid wood. With its angular style, the **lavabeau** is the masculine equivalent to the **lavabelle**. The wood surface has been treated with special hart oil, providing ideal protection in wet areas.

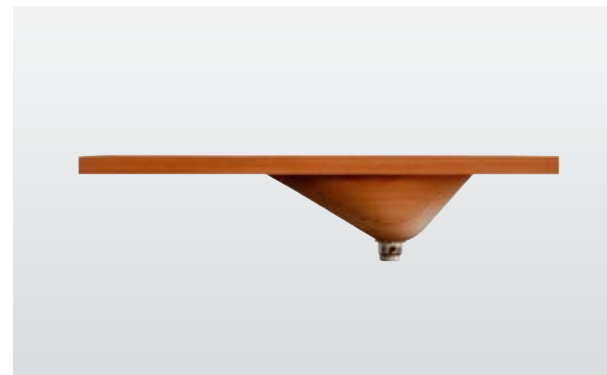

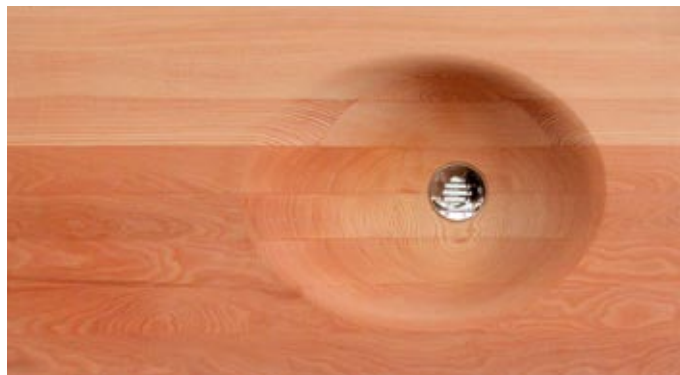

**Wood type:** solid wood | valais larch, european chestnut

**Surface:** treated with hard oil

**Design and construction:** nut+grat, 2003

**Image:** made from valais larch

## lavabelle wash basin

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

**lavabelle** is an organically moulded wash basin made from a waterproof, laminated solid wood block. In its sleek and soft style, this is the feminine version of the **lavabeau**. The wood surface has been treated with special hard oil, providing ideal protection in wet areas.

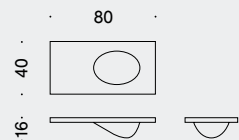

**Wood type:** solid wood | valais larch, european chestnut

**Surface:** treated with hard oil

**Design:** Marilena Cadau

**Construction:** nut+grat, 2003

**Image:** made from valais larch

## flott bowl

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

**flott** is an elegant and versatile bowl whose rounded edges and gently curved base create a graceful and delicate look. The appearance of each bowl, carved from its own block of wood, is quite unique. **flott** is available in two dimensions, made from walnut, oak, elm, beech or maple wood.

**Wood type:** solid wood | indigenous hardwood

**Dimensions:** big 30 x 60 cm | small 30 x 30 cm

**Surface:** oiled

**Design:** nut+grat, 2005

**Image:** big made from walnut | small made from oak
