

aluna coffee table

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

The **aluna** coffee table is made from a 10 mm aluminium composite board, which is distinctive thanks to its light weight. The basic shape of the furniture has been machined from a board and then chamfered and fixed in a technical process. The high-quality workmanship has given rise to the concise edges and shapes, providing the coffee table with its own individual character.

Material: 10 mm aluminium composite board with MDF core imbued with black

Surface: anodised and semi-matt finish

Design and construction: nut+grat, 2002
