

## lavabeau wash basin

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

The **lavabeau** wash basin has been designed with a cubic basic shape in mind. The basin has been crafted in a wave-like design from laminated solid wood. With its angular style, the **lavabeau** is the masculine equivalent to the **lavabelle**. The wood surface has been treated with special hart oil, providing ideal protection in wet areas.

**Wood type:** solid wood | valais larch, european chestnut

**Surface:** treated with hard oil

**Design and construction:** nut+grat, 2003

**Image:** made from valais larch
