

mezzaluna shelf

nut+grat | Industrie West, Post Box, CH-3930 Visp, Switzerland | P +41 (0)27 948 00 22, F +41 (0)27 948 00 21 | info@nutundgrat.ch, www.nutundgrat.ch

mezzaluna is striking thanks to its excellent and secure connectors. The bases of the shelves are beaded on two rounded sides and twisted with wedges, providing the shelves with maximum stability without the need for screws or diagonal bracing. The minimalist style and the use of aluminium composite material lend a demure feel to the shelves. The glossy elegance of **mezzaluna** is enhanced by light reflecting off the surfaces.

Material: 19 mm aluminium composite board with MDF core imbued with black

Surface: anodised and semi-matt finish

Design and construction: nut+grat, in collaboration with Daniel Abgottspon, 2005
